RUNAWAY from the subscriber on the 5th Inst., my boy DAVE. Description:-Dave is about 30

years old, 5 feet 8 or 9 inches high, is yellow or dark 🍞 mulatto, with black spots on his skin, which shows the plainest under his clothes; with a crooked fore finger on his right hand, with a clubby appearance, occasioned by a mash; as a very full head of hair that grows low down on his forehead; and when closely attacked has a very impudent appearance. Said boy was out about six months, some three ears ago, and passed himself off as a free man, some 30 miles below New-Berne, where he was taken. He will no doubt try to pass as a free man and make his escape to some free State via of Rail Road or shipping; and an additional reward of one hundred dollars for sufficient proof to convict any DANIEL HERRING.
